AG Pathology and Imaging Course
Friday, October 5, 2018

Course Directors: David A. Greenwald, MD, FACP, and Olga C. Aroniadis, MD, MSc

ACG’s Pathology and Imaging in the Evaluation of Gastrointestinal Disease Course provided four mini-sessions, each devoted to new developments and old problems of special interest to the clinical gastroenterologist in pathology and imaging in a specific portion of the GI tract. Each session featured a combination lecture by a pathologist and a radiologist, with the addition of correlated endoscopic images. The course faculty are recognized experts in their fields and pioneers in the development of new technologies and clinical paradigms.
